Descripción

RIVA is a new generation development, an entity that fuses a sophisticated and urban lifestyle in the middle of the Mexican Caribbean. A low-density project with timeless architecture and design that seeks to create a

community among its users. A modern shelter with efficient technology in its consumption and elegant in its finishes. The ideal space for you and your family.

In RIVA you will find clear views of the sea and the lagoon, direct access to the navigation channels that connect directly to the Caribbean Sea, proximity to the commercial center and marina, as well as direct access to the South Beach Club of Puerto Cancun and direct connection with the Zone Hotel.

RIVA is the only development that allows vacation rentals in Puerto Cancun, which represents a very attractive incentive for those who are looking to invest and obtain immediate returns.

With first class amenities such as concierge, roof top, jacuzzi, umbrella area and lounge chairs with panoramic views of the sea, gym, canal drop off dock, playroom and a privileged location within Puerto Cancun.
